Official Visit to Veterans. Other Petersburg News Notes.

Times-Dispatch Bureau, Petersburg, Va., February 3. In the Hustings Court, this morning, Joshua Lane, negro, pleaded guilty to charges of highway robbery, and was given a sentence of sixteen years in the penitentiary. There was no jury in the case, the man pleading guilty on his arraignment. Lane came to Virginia from North Carolina to work as a laborer on the Norfolk and Western belt line road, in course of construction around this city. One evening several weeks ago he came into Petersburg, armed with a pistol, and near the south end of Sycamore Street began to hold up and rob every person who came along his way, showing his pistol and threatening to shoot if resistance were offered. Several colored people, one of them a preacher, fell victims to his demands and yielded up their change. The negro's conduct alarmed the neighborhood, and the police were notified. Lane fled, but was captured the following day.

County Bonds Sold.

The road improvement bonds issued by the county of Dinwiddie to the amount of \$102,000, bearing 6 per cent interest, have all been sold at par. The Columbia Trust Company, of New York, taking \$81,500 of them. Some of these bonds had previously been disposed of in order to begin the work of road improvement, especially in Nanomozine District, and the trust company took all of the balance. The proceeds of the sale of the entire amount of bonds will be divided proportionately between the several districts of the county, according to the mileage of public roads in each, respectively. Between \$25,000 and \$30,000 have already been expended on the Cox and Old Plank Roads, two of the principal thoroughfares leading from this city through the county, and a large count force is kept constantly at work pushing the improvements. A meeting of the Board of Supervisors of the county will be held next week to consider additional improvements.

same company.

Charles Ritter, checker on pier 7, Captain Burr St. John, superintendent of transportation of the same company.

The warrant of arrest charges manufacturer in negligently handling dynamite at pier 7, and the arrest of Michael Mass. It is understood that the local railroad officials against whom warrants have been issued will appear in court to-morrow. No special arrangements have yet been made, as far as known, for bringing to court the officers of the powder company, for whom warrants have been issued in case they do not voluntarily surrender.

Healing said after the hearing that the dynamite was to have been taken from pier 7, and the explosion occurred, as he had seen both boats steam up to pier 7 very shortly before the explosion took place, and in his opinion there had not been time to begin the transfer of the dynamite.

Lines of investigation taken up by the authorities yesterday, including that by Police Prosecutor Garven, were continued to-day with unabated vigor. No additions to the list of dead or missing developed.

executive session was being put to the Senate, Mr. Borah made a demand for a roll call secured a sufficient number of seconds, and the call was ordered.

Significant Vote.

On what was regarded as the most significant vote of the day, the executive session was denied, 36 to 46. All those who voted in the affirmative are regarded as lined up against popular elections of Senators, and those who voted in the negative are known to be in favor of this policy.

All of the affirmative votes were cast by Republicans, but a number of Insurgent Republicans Senators voted with the Democrats against the closed session.

Recognizing that Mr. Borah had the votes, no further objection was made by opponents of popular election of Senators, and the resolution became law without the necessity of the Senate without a roll call.
